

KTC Council 23-2-23 - Climate Roadmap Group report

The last meeting was held on Tuesday 17th January 2023 7pm.

Confirmation of a public meeting 9.30m to 12.30 on 4th March at the Methodist Church on Home Energy Improvements jointly organised by Climate Roadmap group and Kenilworth All Together Greener. Format will be some short talks and break out groups. Theme is How to make your home more energy efficient & comfortable with talks on key aspects of retrofitting: insulation, ventilation, and heating. Also case studies of different houses with different solutions and a thermal imaging workshop. Information sources, tips, advice, resources, networking all available. Booking through Eventbrite <https://tinyurl.com/3r5p4ky4>

Successful trial of a Listening Circle in December is now organised for third Thursday in the month at United Reform Church with focus on Climate and Social Justice.

The group agreed to a Kenilworth Naturewatch Week 2023 in the period Friday 26th May-Sunday 4th June. Suggestions for new events and engagement with new persons/groups included: Bee Friendly Kenilworth; growing wildflowers; the WDC Biodiversity Action Plan; local entomologist Steven Falk; Castle management Matt Bulford.

Next meeting – Tuesday 28th February 2023, 7pm
