OTHER INFORMATION IN SUPPORT OF THE APPLICATION	
The Kenilworth over 30 swim club has been a thriving swimming club for over 37 years. It has a membership of some 20- 25 members and has been meeting at Abbey Fields Swimming pool at 8am on Sunday morning. This continued through the covid epidemic until the pool closure for refurbishment in 2022. The club has now been forced to move to another swimming pool and is now meeting at Newbold Comyn swimming pool in Leamington. Here the club hires 4 lanes for club members to participate in the healthy exercise of swimming in a safe environment. Unfortunately, some club members can no longer attend sessions as they use to walk or cycle to the Abbey Field swimming pool but do not drive and therefore cannot get to Leamington. Continue overleaf if required.	

The club members have participated in several swim challenges raising several thousands of pounds for charity. The club has supported first aid training and life saving certification. Recently, 3 club members formed a relay team to swim the English Channel.

The grant would enable the club to continue until the completion of Abbey Field pool refurbishment in 2024 when the club will return to Kenilworth.
