**Kenilworth Safer Neighbourhood Team Update Report for TC 30 November 2023**

We are asking as we approach Christmas for people to remember not to post online (Social Media) about gifts bought, places they are going to be visiting or if going away over the festive period.

If people are going away to ensure they have persons who they trust to check in on the property periodically to make sure that property is secure, and mail does not pile up. Also, to have timers fitted on their lights and to make sure vehicles are left secure.

If you have vulnerable / elderly neighbours to check in on them and make sure they are ok.

There has been a small increase in Burglaries of homes, this is fitting with a trend in the County and it is believed that jewellery/vehicles are being targeted.
Anti Snap locks / secure bags for keyless ignition and timers are available from local security companies who can and will conduct a survey of your property should you wish to have one done.

There is plenty of advice for this time of year in regards to keeping your property safe on the Warwickshire Police Website, with some simply cheap but effective measures that can be taken.

| Robbery | | | | |
| Fraud | | | | |
| | | | | |
| Total | | 11 | 3 | 14 |

**Spikes/Trends**

St Johns had no recorded crime in the beat code which is a first.

Abbey Ward though has taken a hit, the vehicle crimes are items being taken, such as wing mirrors and parts, this is hard to prevent as the items stolen are on the extremities of the vehicles.

The Burglary Dwellings were attempts, where persons have tried to gain access via a door, believed looking to steal cars.

Public Order recorded was the disorder at Holiday Inn following one group on one night having a disagreement then the following night a Traveller wedding took place where a bare knuckle fight happened outside, offenders made off in vehicles prior to Police attendance, suspects from Lincolnshire.
