

Kenilworth Cemetery Report

February 2025

Actions since last meeting

1. Cllrs Insley and Richard Dickson have maintained regular visits to the cemetery to check on the state of the site and that it is being maintained by WDC in accordance with the established arrangements.
2. At this time of year the grass is not growing.
3. Litter bins appear to be being emptied regularly.
4. No major problems have been reported either by residents or WDC Pam Chilvers.
5. The sign on the gate regarding keeping dogs on a lead is broken and needs replacing – AI or RD to action with WDC.
6. New graves are being dug on the western side of the cemetery (where the allotment once was).
7. Cllr Insley will continue to maintain regular visits to the site.
